

UNITED STATES DISTRICT COURT  
DISTRICT OF OREGON

APPLICATION TO SERVE AS A COURT-SPONSORED MEDIATOR

---

Local Rule 16-4 permits the Court to refer a case to mediation with a mediator whose name appears on the District's list of Court-sponsored mediators. Court-sponsored mediators agree to conduct mediation for four hours per case without cost to the parties. If the parties do not settle the case within the four hours, the mediator and the parties may discuss whether to continue mediation and, if agreed, how much the mediator will be paid per hour. Payment arrangements are to be made between the mediator and the parties. Court-sponsored mediators agree to perform at least eight hours of mediation service for the Court per calendar year without payment.

## SURVEY OF SUBJECT MATTER EXPERTISE

Conflict resolution requires communication and mediation skills that help parties identify issues and interests, identify areas of common ground, allow parties to be heard, and envision creative solutions. However, lawyers sometimes also wish to know a mediator's specific areas of expertise. Please think carefully about your personal level of expertise in the following general subject areas. (Note: These categories are those displayed on the civil cover sheet submitted to the court at the time of case initiation.)

Designate with a "1" those main categories (like CONTRACT, REAL PROPERTY, etc.) that are your primary subject areas of expertise. Designate with a "2" those categories in which you have some experience. Designate with a "3" those categories in which you have little or no experience. Place an "X" next to any category of case, or specialty within a category, for which you would not wish to serve as a mediator.
