

UNITED STATES DISTRICT COURT  
DISTRICT OF OREGON

IN RE: MASK AND ENTRY  
REQUIREMENTS IN RESPONSE  
TO COVID-19

---

Standing Order 2022-11

The following persons shall not enter any United States Courthouse in the District of Oregon:

- i. Persons currently diagnosed with or experiencing any symptoms of COVID-19;
- ii. Persons who are not up-to-date on COVID-19 vaccinations pursuant to Centers for Disease Control guidance and who have had close physical contact within the last 5 days with a person who has been diagnosed with COVID-19; and
- iii. Persons who have been asked to self-isolate or self-quarantine by a medical professional or public health authority and whose isolation or quarantine period has not concluded.

All persons seeking entry to, or occupying, a public lobby or elevator space in any United States Courthouse in the District of Oregon must wear a face covering or mask unless a medical condition prevents them from doing so and they can show proof of the medical condition in the form of a physician's order or other documentation. The face covering or mask must completely conceal the wearer's nose and mouth at all times. Any visitor seeking entry to the Courthouses without a mask or face covering will be provided one by the Court. If the Court is unable to provide a mask for any reason, the visitor will be asked to contact by telephone the office to be visited to explore alternatives to entering the Courthouse. With respect to courtrooms and adjacent spaces, a judge may determine whether to require vaccinated individuals to wear a mask.

The United States Marshal, his deputies, and the Court Security Officers shall enforce this Order and deny entry to anyone attempting to enter in violation of this Order.

IT IS SO ORDERED. DATED this 2 day of June, 2022.

  
MARCO HERNANDEZ  
CHIEF U.S. DISTRICT JUDGE
